My name is **Jan Parcell** and I am the teacher for the 4-5yr old class Friendship Station Preschool class at our Western Avenue School location. I have a BS in Speech Pathology from Eastern Kentucky University, and have more than 12 years of experience as a speech therapist in both public and private school settings. Four of those years I was a part of Early Childhood teams in Plano and Oswego. I also was a part of the staff that began Geneva Park District's Kid Zone before and after school program. After two years I was asked to develop the KinderZone program, focusing on after school activities exclusively for the 5 year old. I was Program Coordinator of KinderZone for three years. The past two years I have worked as a paraprofessional in Winfield Schools. Two of my favorite things are language development and learning through play. I am so excited to return to the wonderful world of the four-five year olds!

I have lived in Geneva for thirty years and have four grown sons...who also attended Friendship Station!

My name is **Sherry Rogers** and this is my first year at Friendship Station where I will be assisting in the fours/fives class at the Western Avenue location. I grew up in Glen Ellyn and attended the College of DuPage where I received my Associates Degree in Early Childhood Education. I have married to my husband Paul for eighteen years and have lived in Geneva for 13 years. I truly enjoy teaching and working with children, before coming to Friendship Station I taught Preschool for 20 years. When I'm not working I enjoy traveling, spending time in my yard and reading.
