

# 2024 STAFF BIOS DISCOVERY CAMP

## BRIANNA WALCZAK

### CAMP COORDINATOR

Bree loves animals considering she wanted to be a veterinarian when she was little, and her favorite animal is an Elephant! Bree is also great at card games, and she wishes that she could read minds. This would make her even better at card games!

## GRACE FOX

### ASSISTANT CAMP COORDINATOR

Grace is a great addition to Discovery Camp because when she was little, she wanted to be a teacher. Her favorite cereal is Frosted Flakes, and if she could be a food she would want to be fruit. I hope you all love to play Freeze Tag because that is her favorite game!

## SARA BLATCHLEY

### CAMP LEADER

If Sara could have any superpower, she would want to fly. And then she could fly to the place she's always wanted to go...Scotland! Her favorite animal is an Owl and she loves Cheerios.

## DAVID CHRIST

### CAMP LEADER

Want to see something cool?? Ask David to spin a basketball on his finger because that is his hidden talent! Not only does he want to see Europe, but he would also love to see what 10,000 years in the future would look like!

## MADLYN DANOSKY

### CAMP LEADER

Madelyn wanted to be a teacher when she was younger, so she is going to be a great addition! She has always wanted to go to Italy and her favorite animal is an Otter. Want to know the time?? Ask Madelyn! She can tell time without looking at a clock most of the time.

## OLIVIA MONTALTO

### CAMP LEADER

If you love singing, Olivia is your person! She wanted to be a singer when she was younger. Along with singing, she loves leopards and Reese's Peanut Butter Puffs. Her favorite game is volleyball, so be prepared for some friendly competition with Olivia!

## JOSELYN PELKA

### CAMP LEADER

Joselyn's favorite game is Duck Duck Goose and her favorite animal is an Elephant. Do you love Toy Story? Awesome! Her favorite Pixar character is Buzz Lightyear. She has always wanted to go to Paris, and she can also name all 50 states...in alphabetical order!
