

# 2024 STAFF BIOS

## SAFARI CAMP

### SAN SANDBERG

#### CAMP COORDINATOR

San's favorite animal is a rabbit and her favorite cereal is Reese's Puffs. She loves to play any game that is on the playground, and her hidden talent is singing! She would love to time travel to the 1960's and she would also love to have invisibility!

### ALMA GARCIA

#### CAMP LEADER

When it comes to travel, Alma wants to go to Nicaragua and she would like to time travel to see the Master Painters like Van Gogh. When she was 5, she wanted to be a doctor but now she wants to be a graphic designer!

### ALEX GILBERT

#### CAMP LEADER

Do you like Shamrock Shakes?? Perfect, because if Alex could choose to be a food, that's what he would be! He loves to play basketball and his hidden talent is Fast Reading. When he was a child, he wanted to be a Police Officer.

### YVETTE GUERRERO

#### CAMP LEADER

Yvette loves to play four square, so make sure you bring you're A-game when playing! When she isn't playing four square, she loves to bake. She loves to bake so much, that if she could be a food she would want to be a cake pop!

### MADDIE HAUSER

#### CAMP LEADER

Maddie's favorite food is Ice Cream, which would probably go great with her favorite cereal, Cinnamon Toast Crunch. She loves to play freeze tag and would LOVE to go see the Eiffel Tower in Paris. She wanted to be a teacher when she was little, so we are excited to have her as a leader!

### CADEN TERWILLIGER

#### CAMP LEADER

Caden isn't sure what his hidden talent is, but that's okay because he loves Gaga Ball and Ghost in the Graveyard! If he could travel anywhere in the world, Greece would be the place to go. Maybe he will see some of his favorite animal, a turtle!

### Isabelle O'Brien

#### CAMP LEADER

Isabelle's secret talent is that she is double jointed which is awesome! Besides that, her favorite cereal is Cookie Crisps and strawberries. She loves playing soccer as well so she will be a lot of fun this summer!
