President's Message 2024

Much like a caterpillar transforms into a butterfly, the past year has been a period of significant growth and transformation for the Geneva Park District in other areas as well. We've seen remarkable progress and success, and I am thrilled to share some of our accomplishments.

I hope you have had the chance this summer to visit the newly renovated Butterfly House entrance at Peck Farm Park. With a generous contribution from the Geneva Park District Foundation, we completed the project before opening weekend, which includes a new vestibule with bright colors and landscaping meant to spark wonder. This beautiful space now provides an even more welcoming and engaging experience for our visitors.

This year, we celebrated the 10th anniversary of Playhouse 38. This milestone is a testament to the dedication and passion of our staff and community. The celebration was a vibrant display of the joy and creativity that this space has nurtured over the years.

Our lifeguards achieved their 10th consecutive 5-star audit, an accomplishment that underscores our unwavering commitment to safety and excellence. This achievement is a powerful reflection of their hard work and dedication.

We were honored to receive the GFOA award for the 12th time, demonstrating our ongoing commitment to fiscal responsibility and transparent financial reporting. This prestigious recognition is a symbol of our team's diligence and professionalism.

Our collaboration with the City of Geneva's Natural Resources Committee and the Geneva Library District for the Wine, Cheese, and Trees fundraiser was another resounding success. The event continues to grow each year, reflecting our community's commitment to environmental stewardship.

One of our most exciting projects this year was the commencement of construction at Mill Creek Community Park. Thanks to a partial grant, we began work on a universal design playground, the district's first dedicated outdoor pickleball courts, a permanent restroom, an expanded parking lot, and a fitness trail. These improvements will greatly enhance the park's accessibility and enjoyment for all members of our community.

As always, our staff has gone above and beyond in providing exemplary customer service across all facilities within the GPD, embodying our Core Values:

- Customer Commitment
- Responsible Leadership
- Fiscal Responsibility
- Safety
- Community Collaboration
- Innovation
- Stewardship & Sustainability

In closing, I am incredibly proud to be a part of the Geneva Park District. I would like to extend my heartfelt thanks to our wonderful community for your unwavering support and engagement. It is your involvement that turns our vision into reality, creating a vibrant, inclusive, and dynamic environment for all ages to enjoy.

Looking ahead, we are excited about the upcoming projects and events that will continue to enrich our community. We invite you to stay connected with us through our website and social media channels for updates and opportunities to get involved.

John Frankenthal
Park Board President

Why Choose Friendship Station Preschool?

"The staff at Friendship Station are incredibly kind and knowledgeable; they knew just what my little guy needed to get preschool off to a great start. He has matured so much through learning from his teacher and his friends there. When I volunteer, I can see the nurturing, respectful, and overall fun environment at school and I know why he comes home with a smile!" -Kathryn Gelder-

Kids' Zone Before & After School Program

2024-25 Kids' Zone Parent/Guardian Information

The main parent/guardian who enrolls the child will be the only person allowed to make changes regarding attendance, add or remove authorized person from the emergency form or receive any information regarding billing and payments. Please note: the main parent/guardian must grant permission to the secondary parent/guardian listed to have full access to participant's enrollment status, access to change information, and schedule status.

DISCIPLINE POLICY

It is our philosophy for discipline to teach participants to take responsibility for their own actions. We try to accomplish this through using specific directions, redirecting a child, positive reinforcements, motivation and leading by example. Since each participant has different ways of learning, several different methods may be used.

HOMEWORK POLICY

There is 30 minutes of scheduled quiet time each day for homework. Please note: it is not Kids' Zone's responsibility to ensure that any child does their homework. The staff is happy to remind and encourage children to complete their homework, but staff will not force them to do so. Also, please note, our staff is not available to individually tutor children.

NEWSLETTER AND ACTIVITY CALENDAR

A bi-weekly newsletter and activity calendar are available at your child's site and online at genevaparks.org.

EXTRACURRICULAR AFTER SCHOOL ACTIVITIES

Children may take part in extracurricular activities held at their schools (scouts, clubs, etc.) To do this, a parent must notify the Site Coordinator in writing by completing an "Extracurricular Activity Form" for each activity the child will be attending. These forms are available at each site. The person in charge of the extracurricular activity is responsible for bringing the child back to Kids' Zone at the end of the activity.

Dispensing Medication Policy

Strict policies have been put in place regarding the dispensing of medication to participants. These policies must be followed if a participant is required to receive medication while in the program. This includes restrictions for any over the counter medications (including cough drops and pain relievers) and any prescription medication. Parents/Guardians are required to complete a "Request to Administer Medication Form" for any and all medication to be administered to participants by Kids' Zone staff or by the participants themselves. This form requires a physician's signature.

- All medication is required to be in the original container whose prescription label must include: patient's name, physician's name, name of pharmacy, medication and complete dosage information.
- Each day the proper dosage should be sent in the original container. If original container is not available, parent should try to obtain a new one from physician or pharmacy.
- Parent/Guardian must sign and complete a Request to Administer Medication form. This form requires a physician's signature.
- Medication will be stored in a secure area at temperature consistent with package instructions.
- Participants must have a medical release form for medication such as inhalers and Epi-pen.
- With the exception of Epi-pens and inhalers, only oral medicine may be administered. Staff may not dispense suppositories or shots (diabetic).

Jr. Programs

These programs are designed to keep everyone actively moving, thinking and having fun. Drills are hidden in fun games and terminology that kids can understand. Teamwork and sportsmanship are a large part of these programs. Our goals are to make sure that each child has a positive experience as we help them fuel the passion for their desired sport and get them started in the right direction.

Jr. Skills Programs

These programs will be coached by a certified All Star sport specific trainer with a speed & agility component powered by Ethos 360 Performance Training. Our goal is to add layers to each athlete's basic foundation and to further advance their knowledge and enhance their skill set so that they can compete for travel, club level, or high school positions. All Skills programs will include conditioning with sport specific drills that will be modified according to each child's age or ability. Athletes will learn to compete and handle the pressures of competition by being introduced to game and performance situations.

Behavior Policy

In order to maintain a safe and enjoyable environment, a strict discipline policy has been adopted for all Geneva Park District programs. The following policies are designed to preserve a healthy program experience for all concerned. The following infractions will constitute utilization of the discipline system that follows under Discipline Procedures.

Discipline Procedures

Please keep in mind, two verbal warnings will be given before becoming a first offense.

1st Offense:

A warning letter will be sent home to a parent or guardian, or the participant if he or she is an adult, to be signed and returned. The parent/participant will also be called by the Program Instructor and/or Recreation Supervisor.

2nd Offense:

Suspension -- the participant will be suspended for three days following the offense. The parent/participant will be notified via the phone or upon parental pick-up and a written explanation will be sent home by the Recreation Supervisor.

In cases when a program only meets for one day, participants will be given two verbal warnings. If the behavior is not corrected after two warnings, the participant will be removed from the class.

Depending on the situation and the degree of the offense, the

participant may be permanently dismissed from the program following the 1st, 2nd, or 3rd offense. There will be no refunds for days missed due to disciplinary infractions. NOTE: Parents of program participants are responsible for ANY damages caused by their child.

Errors/Typos in Brochure

Though we try our best, due to the large amount of information available in the Geneva Park District Program Guide, errors after publication may occur. We apologize for any inconvenience this may cause. When errors do occur, our staff will advise you of the changes as quickly as possible. We will also attempt to keep information on our website, genevaparks.org, as current as possible. Thank you for your patience and understanding.

Fit For Kids

Fit For Kids is a county-wide initiative to build a culture of wellness by providing easy and safe access to affordable physical activity where people live, work, and play. The Geneva Park District, along with Kane County, proudly support the Fit for Kids initiative. Each season we provide over 3,000 recreational programs for kids of all ages.

Non-Sufficient Funds

There will be a \$25 charge per check or checking account that is returned with non-sufficient funds.

Payment/Pro-rating

Participants will not be registered for programs without payment. Program fees will not be pro-rated for late enrollment.

Photo/Video Disclaimer

All participants permit the taking of photos and/or video of themselves and their children at Park District activities, programs, events, and facilities for publication and use as the Park District deems necessary in all marketing materials and social media avenues. If you and your child do not wish to be photographed or videotaped, a written objection must be filed with the Park District.

Program Cancellation Information

Program supervisors begin reviewing class enrollment and canceling classes that do not meet minimum enrollment approximately ONE WEEK prior to the class start date. It is extremely important that you try to register for class choices no later than one week before they begin. All participants registered in cancelled programs will be notified by the Geneva Park District staff and will receive a full refund.

Program Limitations

Each program at the Geneva Park District has an established minimum and maximum number of possible registrants. These numbers are set to guarantee the highest quality program we can offer. The facility, student/teacher ratio, and the nature of the program are considered when setting program registration minimums and maximums. Programs that do not meet the minimum number of registrants may be cancelled. Please refer to the Program Cancellation section for more information. Program instructors are not allowed to accept any registrant beyond the established maximum without authorization by their immediate recreation supervisor.

General Policies

Receipts

We send registration confirmations via email! Please ensure that we have your current email address on file. Your email receipt will act as the only form of confirmation for your registration. If we encounter a problem with your registration, you will receive a phone call.

Refund Policy

1. An Application for Refund form must be submitted for all refunds. Refund requests must be submitted 10 business days prior to the first class meeting date.
2. All refund requests will be assessed a service charge of \$3 or 10%, whichever is less, with a minimum charge of \$1.
3. The Refund Policy does not apply to: "non-refundable" trip tickets, unless the Park District is able to resell tickets; Preschool Program deposits, unless the class space can be filled prior to the start of the program; contracted classes, unless a replacement can be found. Refunds will not be granted for Fitness Memberships for any reason after one month from the start date. Pool passes are non-refundable. Kids' Zone registration fee is non-refundable. No refunds or makeup classes will be granted for unattended classes. Geneva Park District has the right to review and make the final decisions on all refunds.

Residency

Residency of the Geneva Park District is defined by financial contributions through property taxes for the operation of the park district. Boundaries of the Geneva Park District and the City of Geneva are not exactly the same. If you are uncertain whether you qualify as a Geneva Park District resident, please check your current property tax bill. Proof of residency in the form of a current tax bill or utility bill may be required during program registration. Geneva Park District residents are given first priority for program registration.

Do you know about our Scholarship Program?

The Geneva Park District offers a Scholarship Program for those who qualify for financial assistance. Applicants who qualify for financial assistance may receive partial or full program scholarships for Geneva Park District programs. Those who apply will be required to complete an application listing current finances.

For information, please contact 630-232-4542.

Special Accommodations/ADA Compliance

The Geneva Park District encourages participation by everyone and intends to comply with the Americans with Disabilities Act (ADA). If you or a family member have special needs and would like to participate in a program, the Park District will make reasonable accommodations and/or modifications.

Geneva Park District works collaboratively with the Fox Valley Special Recreation Association (FVSRA) to provide reasonable modifications for individuals with disabilities who need assistance to participate successfully in programs. Please list the names of participants requesting inclusion services on your registration form and contact 630-232-4542 or email inclusion@genevaparks.com. To provide the best customer service, we ask for at least two weeks' notice prior to the start of the program.

Waiting List

Since all of our programs have registration limits, we cannot guarantee your enrollment. The Geneva Park District maintains waiting lists for programs that have reached their maximum registration. Placement on a waiting list is encouraged. Individuals placed on a waiting list will be contacted if any additional program space becomes available.

Waiver Form

The Park District is unable to assume responsibility for injuries or accidents occurring at programs, activities, parks, and facilities. Such insurance would make program user fees prohibitive. The Insurance Liability Waiver section of the registration form must be signed when registering yourself or your minor child to participate in Geneva Park District programs. Participation will be denied if the signature of an adult participant or parent/guardian and date are not on this waiver.

Weather Cancellation Policy /

Geneva Park District Weather Policy stipulates that all Geneva Park District programs will be cancelled if Geneva School District 304 cancels school for the FULL day. Partial school closures or late starts will result in the Geneva Park District making day-of determinations and contacting all participants in the event of any class cancellations. Major weather cancellations/closures of all Geneva Park District programs can be seen at genevaparks.org, on the Geneva Park District Facebook page and through the Rainout app.

 For field conditions, ice rink status and more, please download the Rainout Line Mobile App, or call the Rainout Line at 630-206-1174. For All Star Sports classes, please call the All Star Sports weather hotline at 630-584-2961. Visit the *Weather Corner* section of our website.

TRI-CITIES SOCCER

TEAM • COMMUNITY • SUCCESS

The Tri-Cities Soccer Association (TCSA) was founded in 1977 to provide a fun and healthy environment for area youth, from 4-18 years old, to play soccer. Today, it has grown to be one of the largest independent youth soccer organizations in Northern Illinois with great support from the local park districts. We offer families two levels of participation: RECREATIONAL and CLASSIC.

Get started in early childhood by joining our HAND IN HAND program, TCSA's pre-school recreational program for 4-5 year old participants. RECREATIONAL team play begins in our U6 division (kindergarten) where small sided games ensure a positive learning experience and lots of time with the ball.
