NOTES FROM THE COORDINATOR

Welcome sports fans! If you like sports and to travel sports around the world week is going to open your eyes. Have you heard of Caber Tossing, Tuna Tossing, Bubble Soccer, Cheese Rolling, Bog Snorkeling, and Quidditch? Join us this week and learn about this different sports.

We will be exploring these sports and engaging in a variation of sports to represent similarities to the sports. There will also be a couple of days where we will make a craft that has some tie to one of the sports we focused on that day. We will also create our own game at the end of the week.
