

Peck Farm Prairie Playschool
2025-26
Parent Manual

Welcome:

Prairie Playschool at Peck Farm Park is an outdoor, play-based learning experience for kids ages 3 to 5 years old.

Classes will be held 100% outdoors - weather permitting. Together students will explore the natural environment as they learn age-appropriate skills and concepts through play, guided activities, and hands-on exploration. With our time outdoors, we hope to develop a caring and curious relationship between students and nature while encouraging self-care and social skills.

Peck Farm Park's Prairie Playschool is guided by the philosophy of learning through play. Play is where children learn how to share, create, cooperate, interact and solve problems. Each child is individual and unique. Our emphasis is placed on developing positive self-awareness.

Our playschool program provides appropriate activities to enhance academic, physical and emotional growth of the young child in the following domains: Language Arts, Mathematics, Science, Social Studies, Physical Development, The Arts and Social/Emotional Development.

The Geneva Park District is using a new software solution to securely collect health and emergency contact information – ePACT Network. This means no more paper forms and peace of mind that we have the right health data to best support all our participants.

ePACT is an innovative digital solution that makes security and privacy top priority. You can read more about their privacy and security measures at <http://www.epactnetwork.com/corp/about-us/privacy-policy/>.

It's also very easy to use and will save families time – it's one central account for your family. ePACT will notify us automatically of any updates – ensuring we have the most up-to-date information when we need it most.

You can expect an invitation from the Geneva Park District via ePACT for each member that is registered for an activity program. You then simply create an ePACT account and follow the prompts. You can read more at <https://epactnetwork.freshdesk.com/support/solutions/articles/47000663855-i-received-an-emergency-information-request-email-what-do-i-do-now->.

Program Content:

At Prairie Playschool, the natural environment around us is used to help inform students as they learn age-appropriate concepts and reach preschool learning targets such as colors, letters, numbers and more! Through outdoor play and nature-based exploration, students will develop an understanding and appreciation for the ecosystems around them while also developing gross and fine motor skills.

Our goal is to help foster a love and respect for nature. While doing this, we will encourage independence and preparedness in our students as they discover what they need and prefer to have with them during their time outdoors. We will utilize the outdoors and the nature around us as much as possible during class time to help students develop an understanding of how to stay safe and comfortable while outside.

Throughout the school year, we will explore monthly topics that will focus on seasonal and environmental happenings. Students will learn about the plants, animals and ecosystems around them through hands-on activities, hikes, games, journaling and crafting, and free-play.

Pick-Up:

Pick-up will be at the front doors of the Orientation Barn. In order to pick-up a student, adults must be listed on that student’s authorized pick-up list. Adults picking up students should come prepared with a photo ID to show staff.

If a parent/legal guardian needs to add someone to the authorized pick up list, they must make the change in their ePACT account at least 48 hours prior to the pick-up.

Late Pick-Up Fee:

Any child that is picked up after the program end time will result in a late fee of \$5.00 for the first ten minutes. \$1.00 per minute will be charged after the first ten minutes. After 30 minutes and all emergency listings have been called, staff will notify the local Police Department. The child will be transported by the Police to the Police Station. A late form will be filled out and turned into the office where you will be expected to pay your late payment. If unpaid, your child will not be able to participate in the next class. If late pick up becomes a habit, you run the risk of your child being dismissed from the program.

What to Bring to Playschool:

Clothing:

At Prairie Playschool, class time will be spent 100% outdoors when weather permits. This includes rain, snow, and cold and hot weather. *Please see our Weather Policy section for more details.* Because of the varying weather throughout the year, it is very important that students come prepared with the proper clothes and garments to keep them safe and comfortable.

Students should always wear close-toed shoes while in class.

Students should be prepared with extra clothing every day of class. Extra clothes can either be kept in your child's school cubby or backpack. **All clothing items should be labeled with your child's name.**

These extra clothing items should include:

- Shirt

Weather Policies:

At Prairie Playschool, we try to be outdoors as much as we can. This means students will spend time outside in many types of weather. In some circumstances, the weather may not be suitable to hold class 100% outdoors, so class may be held partially or fully indoors.

Thunderstorms & Lightning:

If thunder or lightning is detected during class, students will be brought inside until the weather has cleared. We will wait 30 minutes after the last sound of thunder before returning outside.

Heat:

In cases of extreme heat, we will take proper precautions by ensuring frequent water breaks, limiting physical activity outdoors, and spending more time in the shade. This may also include spending class time indoors.

Winter Weather:

If temperatures are 0 degrees or above with wind-chill, we will still spend portions of class outdoors as well as indoors.

If the temperature is below 0 degrees with wind-chill, class will be held indoors.

Weather-Related School Closings:

Weather related school closings for Prairie Playschool will follow Geneva School District 304. You can be advised of school closings at <https://www.geneva304.org/>.

If district 304 has a delayed start, there will be no Prairie Playschool held that day. **We do not make up missed classes due to weather.**

Bathroom Policies:

All children entering our program must be fully potty trained before the first day of class. No diapers or pull-ups will be allowed. Staff will not assist with changing or enter the bathroom with a child. Steps stools will be provided for students to use while in the bathroom.

We recommend sending students in clothes they can change in and out of. Pants with belts, buttons or snaps that are difficult for children are not recommended.

Discipline Guidelines:

If these methods do not work for your child and the behaviors continue, parents will be contacted. If behaviors persist, the following discipline procedures will be followed.

1st – A conference will be set up with a parent or guardian. Teachers will document conference.

2nd – A second conference with a parent or guardian, teachers and additional resource staff.

Health Guidelines:

Illness:

If your child is ill, please call Peck Farm’s main line prior to class. Please notify us immediately if your child should develop a contagious disease while attending preschool so that other parent/guardian or emergency contact may be notified of the possible exposure.

If your child has experienced fever, vomiting, or diarrhea within the last 24 hours, please keep them home. If your child comes to class not feeling well, we will call the parents to discuss and pick-up.

Medication:

Medication will only be dispensed according to a doctor’s written instructions and with approval from the parents. A medication request form must be filled out and signed by a doctor. The parent must instruct the staff members on the correct procedures for administering the drug. Staff will not give any medications that have not been prescribed by a physician.
